Seller may assign rights to be paid amounts due, or to become due, to a financing institution if ACADEMI is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned shall be subject to set-off or recoupment for any present or future claims of ACADEMI against Seller. ACADEMI shall have the right to make settlements and/or adjustments in price without notice to any assignee.

39. **OWNERSHIP OF MATERIALS.** All materials, including without limitation, documents, drawings, models, sketches, designs, software, computer tapes and disks, and lists furnished to Seller by ACADEMI or by the U.S. Government, shall remain the property of ACADEMI or U.S. Government as the case may be and shall be returned promptly upon completion of the assigned project, or at any time upon written request of ACADEMI or the U.S. Government. Seller agrees not to make copies of any such materials without ACADEMI's or U.S. Government's express written permission and to return any copies authorized with the original materials.
40. **CONFIDENTIALITY.** Seller agrees not to disclose to any third party, or use, except in connection with the furnishing of the Product(s) under this Order, any confidential information relating to ACADEMI's business, including business and marketing plans, processes, products, equipment, or trade secrets, as well as confidential information resulting from the performance of this Order. Any information not available to the public shall be considered confidential for the purposes of this Order; but should any of this information be published or otherwise made available by the public by ACADEMI or by third parties without breach of this Order, Seller shall be free to use for its own purposes only that information which is actually publicly available. Confidential information that is owned by the U.S. Government or in which the U.S. Government has the right to use and which is provided to Seller either by ACADEMI or by the U.S. Government under this Order and unless otherwise directed in writing, shall be used by Seller only in performance of its obligations pursuant to this Order. Seller shall provide ACADEMI thirty (30) days advance written notice prior to the effective date of any cancellation or change in the term or coverage of any of Seller's required insurance, provided however such notice shall not relieve Seller of its obligations to procure and maintain the required insurance. If requested, Seller shall provide a current "Certificate of Insurance" showing Seller's compliance with these requirements. Seller shall name ACADEMI as an additional insured for the duration of this Order. Insurance maintained pursuant to this clause shall be considered primary as respects the interest of ACADEMI and is not contributory with any insurance which ACADEMI may carry. "Subcontractor" as used in this clause shall include Seller's subcontractors at any tier. Seller's obligations for procuring and maintaining insurance coverage are freestanding and are not affected by any other language in this Order. Seller shall indemnify and hold harmless ACADEMI, its officers, employees, and agents from any losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorneys' fees, all expenses of litigation and/or settlement, and court costs, by reason of property damage or loss or personal injury to any person caused in whole or in part by the actions or omissions of Seller, its officers, employees, agents, suppliers, or subcontractors.

 - Where Seller is a named party in a ACADEMI export license or export agreement (e.g., TAA, MLA), Seller shall provide prompt notification to the ACADEMI Procurement Representative in the event of changed circumstances including, but not limited to, changes in ownership or company name, ineligibility, a violation or potential violation of the ITAR, and the initiation or existence of a U.S. Government investigation, that could affect the Seller's performance under this Order.

In the event of such termination, no further compensation shall be owed by ACADEMI to Seller for or in connection with any past, present, or future transaction or for any other reason under this Order.
